Developed by Bank of America to combat bogus check passers, the clinic will begin at 7:30 p. m. next Thursday in the bank's Truckee branch. Manager Richard T. Bollin and his staff will host the two-hour program.

The film also emphasizes that check supplies and equipment used by individuals, corporations or even government agencies can be obtained and used by clever forgers, making it necessary for merchants to thoroughly identify check presenters.

A second soundslide film deals with proper methods of handling cash and exposes some of the techniques used by short change artists.

The clinic will conclude with a question and answer period, followed by the distribution of pamphlets summarizing the clinic's salient points.

The North Lake Tahoe Republican Women's Club was organized at a meeting at Homewood on Tuesday. A letter from Mary Abbott from Fresno, who is a former Kings Beach resident, tells us that she and Ace are both fine and hope to visit Lake Tahoe soon. They recently made a trip to Missouri and while there pursued their hobby in the family genealogy.

Fred and Alysmae Schultz of Tahoe Vista and Leslie and Theresa Denton of Crystal Shores are exchanging residences. The Schultzes have been residents of Tahoe Vista for several years but want to be near his work as do the Dentons who are in business in Kings Beach.

Pete Metropole of Kings Beach is taking over the operation of Sam's Steak House in Kings Beach. Pete was formerly at the Kings

Beach Bowl which recently closed and was for many years with the Buckhorn. Friends will be happy to know he is back in business.

Congratulations to Jim and Dorothy Warrington of Incline Village on the birth at St. Mary's Hospital in Reno of a baby son, April 15, named Robert John. The little lad has a brother, Jeff, two years old, and sisters, Penny and Cindy, and a brother Larry who is in the air force in Germany.

Theresa Denton of Crystal Shores and daughter, Maxine Polzin of Incline Beach, went to Roswell, New Mexico, to attend the high school graduation exercises of son and brother, Dean.

Our sympathy to J. C. Jordan, Jr. of Incline Village on the death of his father, J. C. Jordan, Sr. who passed away Monday, May 25 at Beaumont. J. C. and wife, Inez, spent several days at Beaumont before returning home.

An after-cast party for the "Red Shoes" production was attended by almost 50 persons at the home of Dave and Marguerite Ashton in Kings Beach. A potluck served buffet was enjoyed. The show was pronounced a success by the many persons who saw it and it is gratifying to have the Sierra Winter Stock undertaking such a project for the benefit of the community.

Ivan "Shorty" Astle of Kings Beach was honored by the North Tahoe Fire Protection District Sunday at a barbecue. He retired after 11 years service in the volunteer fire department and was presented with a reired captain's badge and a resolution from the board of directors commending him for his service to the fire department.

Chief Joe Fulton was the chef, assisted by Deputy Chief Curtis Hart in preparing the steak barbecue.

Members of the fire department were attired in white shirts, red suspenders and navy blue trousers. Almost 90 persons enjoyed the day.

The Kings Beach Giants of the Truckee-Tahoe Little League were off to a good start for the season by defeating the Truckee Lions 13 to 6. Danny Williams started as pitcher for the Giants and pitched a six-hitter allowing only two hits until the sixth inning. The Giants were led at bat by Jeff Liddle with two for two, Jim Baxter with four for four including three doubles. Danny struck out nine and walked only five batters.

The Kings Beach Yankees played the Tahoe City Club and won 13-5. Gary Price led the Yankees with three hits in five at bat with 2-2 base base hits and a single. He also was the winning pitcher striking out ten and giving up seven walks, and allowed only three hits.

Ricky Holly the losing pitcher struck out 14 Yanks and walked eight.

The Little League has a good response from parents and the public attendance at the games. The boys are playing very good baseball and giving a good account of themselves. It is hoped that they will continue to enjoy the support of the parents and public even more as the games progress.

## DONNER DOINGS

By VI WHITE  
Phone 587-3866

Oh what a beautiful holiday weekend we had up here. Calm water, warm sun and good fishing.

Several water skiers took advantage of the "summer" weather and smooth water.

Counted at least 70 boats and one car out on the lake Saturday all trolling for those delicious kokanee. Yes, that little blue German Amphicar came up from Colfax again and startled many a fisherman. An 18-pound mackinaw was caught by a lucky bay area troller.

Many cabin owners were here to take down shutters, paint and ready their places for the summer season.

Some daffodils are still blooming in the shady areas and tulips are a blaze in the sunny spots. It's still spring here. The tiny pink bell blossoms of the manzanita shrubs have been beautiful this year.

Noticed the lilacs in Truckee are just beginning to show color and the aspen and poplar trees are leafing out now.

A good sized crew showed up to get the Donner Lake Property Owners' Beach cleaned, the floats in place and the volleyball net up. The area looks real nice, let's see that it's kept that way.

While her parents were up from Los Altos, Carol Bridgeman decided to look around the Hill Top Poma lift area for a ski she lost in the snow last January while skiing with the Chico State group near Truckee. Her hunch paid off, there it was a black metal Hart ski laying among the rocks undamaged. What a lucky girl!

The Bridgemans purchased a beautiful lake front lot last Sunday. Franklin White of Swanson Realty handled the sale.

Babette Hauelsen reports that she couldn't beat Georgene Bihlman and came in second at the Memorial Day ski race at Mammoth Mountain. Patti Kelly of Soda Springs was fifth. "Peanuts" McCoy won over his brother Gary. The weather was warm and the snow soft, but Babs, Evelyn Alexander and little Jenny Strohle had a lot of fun and even swam in

## AMERICAN SAVINGS WILL OPEN BRANCH AT INCLINE JUNE 8

Charles D. Wing, Jr.

Frank D. Arnold, president of the American Savings & Loan Association of Reno, announced that the new Incline Village branch of the first savings and loan association chartered by the State of Nevada would be formally opened for business on Monday, June 8.

Free gifts will be distributed to those attending the opening, and the public is cordially invited to participate in the festivities marking the opening of the first savings and loan association to be established at the northern end of Lake Tahoe.

Charles D. Wing, Jr., who has been associated with American Savings & Loan Association for several years in the main office, has been named by Arnold to be

the popular Hot Creek. Jenny will be attending the racing camp at Timberline Lodge on Mt. Hood in Oregon next week.

Took a ride on one of those paddle pontoons at Donner Beach Sunday, they sure are easy to maneuver and good for the leg muscles. No wonder the kids love them. Bob Jamieson has all facilities ready now for the summer. When you come down from the summit watch for the new sign with the bikini clad water skier.

Dr. Ray and Muriel Wiser and family have moved into the Asturias home on Donner. They're glad to be able to see the lake again.

## FOREST PLANTING IS OVER HALF FINISHED

Forest Supervisor Henry E. Branagh reports pre-attack planning for the Tahoe National Forest is now 62 per cent complete.

The Tahoe Forest consists of some 1,250,000 acres which was divided up into 52 blocks ranging in size from 10,000 to 30,000 acres. Qualified firemen from each of the seven ranger districts were assigned the job of mapping and making field checks of existing facilities, then combining the map work and field notes into pre-attack block books for each of the blocks. To date 32 of the 52 blocks have been completed.

The posting of the signs will begin within the next month. It is estimated that some 3,500 signs will be posted on the forest when the program is completed.

He stated that primary objectives of the program are locating, mapping and assembling data on fire control facilities (fire camp locations, water sources, heliports etc.), and signing these on the ground.

About two per cent of California's farmers are hired managers of large-scale agricultural enterprises.

the manager of the new facility. Wing was recently elected president of the Reno Junior Chamber of Commerce and is very promotion minded, which means that he will be an excellent addition to the Incline Village area which is rapidly becoming one of the show places of the Lake Tahoe area.

Since 1931 American Savings & Loan Association has been developing into one of the outstanding organizations of its kind in the West. A year ago, a few months after its new building in Reno was dedicated, a Sparks branch of the association was opened. Its success there prompted the officers and directors to look to the Lake Tahoe area as an ideal location to expand the facilities of the association.

Its savings have increased steadily for more than 30 years, and it is one of the few savings and loan associations that has never had a foreclosure, due to delinquency, on its books.

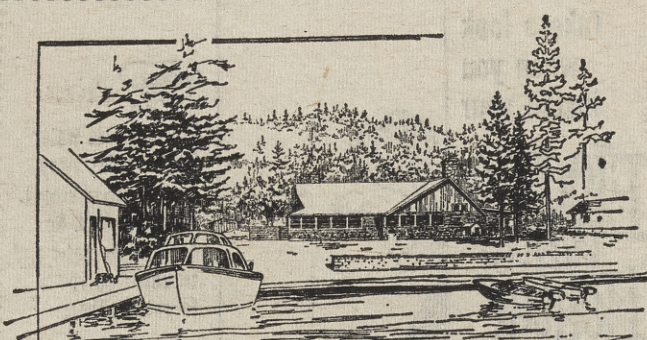

It should prove a welcome addition to Lake Tahoe's business area, and take a prominent part in the development of Incline Village and the north shore of Lake Tahoe.

and comedy into an artistic presentation of unequalled proportions.

The new edition, like the first edition last year, will certainly smash all attendance records at North Tahoe's largest year-round resort-hotel-casino.

There's a unique comedy in the many subtle acts that comprise the 1964 edition. Les Danmory's apache act is an exciting new approach to the rough-handling of the girls from the dens of Les Halles.

By far, the most beautiful, esthetic portion of the show was the Adagio dancers, a duet of Jacqueline and Bernard Chareyon. Grace, strength and earthy beauty bind the scene into another Lake Tahoe "first" in entertainment.

Switching back to comedy, the huge scene "Cinderella" comes off as the most beautiful lampoon to appear in a long time.

A refreshing lift to the act of juggling is offered by the Peiro Brothers whose coordination is exciting. Often they make "mistakes" only to pull out in a spectacular display of balance and wit. Throughout the entire panorama, the orchestra directed by Jerry Gray of Glenn Miller and Artie

Shaw fame, keeps pace with the constantly changing stage activity.

Show times for the "Vive Les Girls" revue are 9 p. m., 11 p. m. and 1 a. m. nightly except Monday, with dinner being served during the 9 p. m. show. On Monday evening, the Topaz Room of

the Nevada Lodge will feature a constantly changing stage activity. \$3.30 buffet dinner served from 6:30 p. m.

## IMPORTANT NOTICE

ALL TAXPAYERS, Whether delinquent or not, should carefully examine the Delinquent Tax List, as errors are likely to occur which, if not discovered in time, would cause inconvenience to parties concerned. TAXPAYERS who have disposed of property since March 4, 1963, may find their names listed for the reason that present owners have failed to pay taxes and according to law the name appearing on the current roll must be published.

## DELINQUENT TAX LIST

Parcel Numbering System Explanation:

The Assessor's map parcel number when used to describe property in this list, refers to the assessor's map book, the map page or block number in the book and the individual parcel number on the map page or within the block. A parcel number for example '3-36-9' would mean Book 3 of the Assessor's maps, Map page 36, and Parcel 9 on that map. A parcel number as for example, '3-363-5', would mean Book 3 of the Assessor's Maps, Block 363 (Map 36 Block 3) and Parcel 5 within that block. The maps referred to are available for inspection in the office of the assessor.
